

quantum SAT is QMA_1 complete

The image features three large, stylized green letters: a 'U' at the top left, a 'C' at the top right, and an 'N' at the bottom center. These letters are composed of thick, rounded strokes. The word 'SAT' is written in the center in a white, bold, sans-serif font. To the left of 'SAT' is the word 'quantum' and to the right is 'is QMA₁ complete', both in a smaller, light gray font.
